Additional Information

a) Extra points for Huawei Certification will be awarded at National Stage as follows:
   - HCIA Certificate - 50 points
   - HCIP Certificate - 100 points
   - HCIE Certificate - 200 points

b) Extra points are applicable if certificate was awarded between the registration period and National finals period.

c) Only highest level points will be added, i.e. In the case where a HCIA certified student upgrades to HCIP during this period, they will have an additional 100 points.

d) Regional Finalist awards are team awards. National/Regional/Global Finalists will have internship/NYSC opportunity.

e) Expert level trainings and certification bootcamp (all paid expense) at the Regional and Global final stage.

f) Projects based on A.I and Robotics are highly encouraged to apply for Innovation Competition.

g) Huawei reserves the right to amend the prizes if need be.
